We are pleased to present this stunning 1st line to beach penthouse, located in one of the most demanded locations of the Costa Blanca. Between el Moncayo beach and the traditional fisherman town of Guardamar del Segura we find the luxury gated resort of Benamor. The property is located less than 100m from the beautiful Guardamar beach, with lateral sea views available from the balcony and private solarium. The town centre with all amenities is situated only 8 minutes walk away. This Penthouse apartment is distributed in two floors, the first floor has two good size bedrooms, an open style independent kitchen (Utility room) , one bathroom and large living room area with its own private walk-out balcony with lateral sea views. The internal staircase leads to the second floor where you will find a very large master bedroom with on suite bathroom and access to its own private solarium with panoramic views. Very comfortable and safe property, with neighbors in the area throughout the year. Very well communicated with the urban center of Guardamar del Segura very good and comfortable accesses to the roads with direction Alicante (Airport), Torrevieja and Murcia (Airport).
